RESCUE

KZN

## AN ANTON SMIT INITIATIVE IN SUPPORT OF THE KWAZULU-NATAL DISASTER RELIEF

The heaviest rainfall in at least six decades caused landslides, interrupted port operations, damaged roads and washed away houses.

To date **341 people died as a result of the floods, more than 40,000 people have been affected, and the figures are rising.**

**RESCUE KZN** is a **Anton Smit Initiative**, where **10% of the proceeds** go to **Gift of The Givers**, a non-governmental organization, in support of the latest **disaster in KwaZulu-Natal.**
